RE: Animal Registration at Keonekai Villages

1. In June 2014, the Board of Directors adopted a new Animal Policy for Keonekai Villages; this policy was distributed with the owner billing in July. To be in compliance with the new policy, all animals must be registered and a photo provided to the association either via the email noted on the form or to the resident manager.
2. Attached you will find an animal registration form that is required to be filled out for **each** animal kept on the property at Keonekai Villages. If you do not have the ability to provide an electronic photo of the animal, there will be a registration event at the Picnic Area (where the every other month board meetings occur between buildings 1 & 2) where electronic photos will be taken for of the animals.
 - a. Saturday September 6th, 8am-10am

 - c. Saturday September 20th, 8am-10am
